

The New Hampshire Boat Museum in Wolfeboro, New Hampshire seeks a Museum Director. The Museum is an educational organization focusing on the boating heritage and life on the lakes and rivers of New Hampshire. It presents exhibits and outreach programs, events, and hands-on activities. The Museum is well known for its mission related events and fund raisers – Antique Boat Auction, Alton Bay Boat Show, Boat House Tour, and Biennial Vintage Race Boat Regatta. It also offers a community sailing program which has served over 700 children, and a very successful boat building program. The Museum Director will be responsible for day-to-day management, lead development activities, build area visibility and support, implement strategic marketing programs, deepen and refine all aspects of communication, provide creative leadership, and be both action-oriented and entrepreneurial. The Board of Directors seeks candidates who have demonstrated strong management, marketing, public relations and fund raising skills. They should have a track record of success working with both a knowledgeable Board of Directors, committed staff and dedicated volunteers. Candidate educational background and experience in museum leadership would be a plus. Salary will be competitive and a health insurance allocation will be provided. Interested candidates should email a letter explaining their interests, a resume and the names of four references to Dudley Hare Associates, at hareconsult@gmail.com by 1/31/12. Application materials will be screened as they are submitted. Please visit the Museum website at www.nhbm.org for more information.
